

ANNEX A6

STADIUM RULES

STADIUM OLIMPICO DI ROMA

RULE OF CONDUCT AND TERMS OF USE

(Article 1-octies of Decree Law 28/2003, converted and amended by Law 88/2003)

These Stadium Regulations, issued pursuant to Article 1-octies of Decree Law No. 28/2003 (converted into Law No. 88/2003), govern access to, presence within, and behaviour inside the sports facility where the event takes place.

“FIR” refers to the Italian Rugby Federation.

“Event” refers to any sporting event held at the Stadio Olimpico di Roma and organized and/or managed by the FIR.

The term “sports facility” refers to all relevant areas, including the outdoor areas reserved for event operations.

Access to and presence within the sports facility for any reason during events are regulated by these Terms of Use. The purchase of a ticket constitutes full acceptance of these Terms.

Failure to comply with these Regulations will result in the immediate termination of the service contract, removal from the facility, and the application of any penalties provided for by the competent authorities. If the offender has already been sanctioned during the same sporting season – even at a different venue – for the same violation, the penalty may be increased by up to half of the maximum, and an access ban to sporting events may be imposed.

PLEASE NOTE:

- Tickets for the Event are non-nominal: the name printed on the ticket is that of the purchaser, not the holder. Tickets may therefore be transferred to third parties in accordance with the organiser’s regulations and sales policies. Any illegal admission tickets will be confiscated by security personnel with police assistance.
- During entry checks, spectators may be asked to show a valid identity document in addition to their ticket. This must be presented upon request.
- Tickets must be retained until leaving the stadium.

- The organiser accepts no responsibility for tickets purchased through unofficial online platforms that are found to be invalid at entry.
- Spectators must occupy only the seat assigned to them. They may not occupy a different seat, even if vacant, unless expressly authorised by the FIR.
- Children aged 3 or over may only enter with a valid ticket. Children under 3 may enter free of charge, provided they do not occupy a seat.
- Spectators are subject to security checks, including metal detector screening, and must comply with instructions given by security personnel.
- For security reasons, the Public Safety Authority may restrict or prohibit entry even for holders of valid tickets. Persons subject to sports-related conduct bans may not access the stadium under any circumstances.
- The FIR is not liable for loss, accidents, or damage to persons or property within the stadium or event area, unless directly attributable to its negligence.
- The FIR cannot guarantee that the match will take place on the scheduled date or time and reserves the right to reschedule without prior notice or liability.
- In the event of postponement or cancellation, refunds will be issued according to the terms of the ticket purchase contract. Refunds or replacements will only be made upon presentation and return of the ticket.
- Any spectator found in a section other than that indicated on their ticket will be escorted to their assigned seat.
- Spectators must not remain standing during the match, as this may obstruct the view of others and compromise safety by blocking aisles or escape routes.
- By purchasing a ticket, spectators acknowledge that they may be subject to security checks. Refusal to comply will result in denial of entry or expulsion.
- The area inside and around the stadium is subject to audio-video surveillance carried out by Public Security authorities in accordance with applicable legislation.
- The FIR is not responsible for loss, accidents, or damage to items deposited in storage areas managed by third-party providers.

Stadium Opening

The stadium opens 2 hours and 30 minutes before kick-off. This information will be announced in advance on official FIR channels, stadium LED screens, and the public address system.
